- For correctional & heavy institutional use
- Choice of aluminum or stainless steel
- Heavy duty all welded construction
- Choice of shelves with all edges down or with 3 edges up, front edge down (except top shelf in all models have all edges down.)

These tough built mobile carts are excellent for transporting pots, pans, plated meals, soiled dishes, and various other items. All welded, heavy duty construction provides years of trouble free service.

Stainless steel models use 14 GA, S/S bottom shelf reinforced widthwise with 12 GA, S/S bolsters channels. Upper shelves also use heavy gauge S/S reinforced lengthwise. Aluminum models use 1/8" thick bottom shelf and bolster channels and 1/16" thick upper shelves reinforced lengthwise. 8" heavy duty polyurethane casters, (2 swivel and 2 rigid), push handle and wrap around bumpers are standard.

6 shelf
