- 4" wide 14 ga. channel (1"x4"x1") uprights & 12 ga. s/s cross members.
- Extra heavy duty all welded s/s construction for correctional facilities.
- Furnished with 12 ga. s/s solid deck, wrap around bumper & 5" casters.
- Stays clean & sanitary with routine steam cleaning.

These unusual, versatile and extremely well built storage racks provide years of excellent service. They are specially designed for correctional facilities for roll-in refrigerator service to carry 18"x26" bun pans and 12"x20" steam pans. 14 ga. s/s channel (1"x4"x1") upright frames, 12 ga. s/s upper support & solid base and 14 ga. s/s universal angle slides (approx. 6" wide) are fully welded. Continuous 1" non marking wrap around bumper protects the base and 5" all swivel plate type casters provide easy mobility. The rack can also accommodate various other size trays/pans from 16" to 20" in width & up to 26" long. Casters are bolted to base with tamper resistant fastners. These racks can also be furnished with optional integral pan stop slides as shown on the picture on the right.
