

Extra large and extra heavy duty stainless steel tray storage carts for correctional facilities

These extremely well built extra heavy duty stainless steel carts are designed to carry compartment trays for storage after coming out of dishwashing. Heavy gauge intermediate and bottom shelves are louvered for proper drainage of any residual water. Top shelf is solid and can store some additional trays. Railing on 3 sides in each section prevents trays from sliding off in the back or sides. Optional marine edge is available on front. Carts roll easily on heavy duty 8"x2" polyurethane casters.

- All welded s/s construction
- 14 ga. reinforced solid top shelf
- 1" square s/s tubing 3 sided rail for each section
- 14 ga. s/s reinforced lower shelves with louvers for proper water drainage
- 1" Round s/s tubular handle on one end
- 14 ga. s/s bottom louvered shelf reinforced with 12 ga. s/s caster support channels
- 8"x2" heavy duty polyurethane casters (2 swivel, 2 rigid)
- 12 ga. s/s uprights
